INDEPENDENT AUDITORS' REPORT

To the Board of Directors
University Union Operation of
California State University, Sacramento
Sacramento, California

We have audited the accompanying financial statements of University Union Operation of California State University, Sacramento (Union WELL Inc.), a not-for-profit corporation and a component unit of California State University, Sacramento, which comprise the statements of financial position as of June 30, 2021 and 2020; the related statements of activities, functional expenses, and cash flows for the years then ended; and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to Union WELL Inc.'s preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Union WELL Inc.'s internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

INDEPENDENT AUDITORS' REPORT

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Union WELL Inc. as of June 30, 2021 and 2020, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matter

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying supplementary information listed as such in the table of contents is presented for purposes of additional analysis as required by the California State University Office of the Chancellor, and is not a required part of the financial statements. Such information is the responsibility of management and was derived from, and relates directly to, the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated September 8, 2021, on our consideration of Union WELL Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Union WELL Inc.'s internal control over financial reporting and compliance.

NOTES TO THE FINANCIAL STATEMENTS

1. NATURE OF THE ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of the Organization The University Union Operation of California State University, Sacramento (Union WELL Inc.) is organized pursuant to the General Nonprofit Corporation Law of the State of California and is governed by Union WELL Inc.'s Board of Directors. Union WELL Inc. operates the University Union building, recreational sports, and The WELLness Center (The WELL), the legal title of which is held by the Board of Trustees of the California State University for the benefit of California State University, Sacramento (Sacramento State). Union WELL Inc. offers a variety of events and services for the students and public including an assortment of vendors, food, and programs.

Basis of Presentation The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America.

Union WELL Inc. classifies net assets and revenues, expenses, and gains and losses into three categories, based on the existence or absence of donor-imposed restrictions. The categories are described below:

Net Assets Without Donor Restrictions: Net assets in this category are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of the organization. These net assets may be used at the discretion of Union WELL Inc.'s management and the Board of Directors.

Net Assets With Donor Restrictions: Net assets in this category are subject to donor-imposed restrictions. Some donor restrictions are temporary in nature; those restrictions will be met by actions of Union WELL Inc. or by passage of time. Other donor restrictions are perpetual in nature, whereby the donors have stipulated the funds be maintained in perpetuity.

Donor-restricted contributions are reported in the statements of activities as increases in net assets with donor restrictions. When a restriction expires, net assets are reclassified from net assets with donor restrictions to net assets without donor restrictions in the statements of activities.

Cash and Cash Equivalents Union WELL Inc. invests its excess cash with the State of California Local Agency Investment Fund (LAIF). The balance is available for withdrawal on demand and is based on the accounting records maintained by LAIF, which are recorded on an amortized cost basis, which is different from the fair value of Union WELL Inc.'s position in the LAIF pool. Union WELL Inc. considers highly liquid investments with a maturity of three months or less to be cash and cash equivalents.

NOTES TO THE FINANCIAL STATEMENTS

Fair Value Measurements The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1), and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy are described below:

Level 1: Inputs to the valuation methodology represent unadjusted quoted prices for identical assets or liabilities in active markets that Union WELL Inc. has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from, or corroborated by, observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Accounts Receivable Accounts receivable are composed of uncollected revenue generated from events, including room reservations, leased space, and special events in the University Union building and The WELL. Union WELL Inc. reviews accounts receivable on a monthly basis to determine if any receivables are potentially uncollectible. As of June 30, 2021 and 2020, Union WELL Inc. has not recorded any allowance for doubtful accounts, as all amounts were considered to be collectible.

Student Fee Receivable – Held by Sacramento State Student fee receivables consist of student activity fees for the fall 2021 semester collected by Sacramento State during student registration. These fees will be remitted to Union WELL Inc. during the fiscal year ending June 30, 2022. As of June 30, 2021 and 2020, student fee receivable amounts were \$118,374 and \$116,893, respectively.

Prepaid Expenses These amounts are the result of payments made for goods and services to be utilized in future periods and for payment of the annual contributions to the OPEB plan for 2022 and 2023. As of June 30, 2021 and 2020, prepaid expense for goods and services were \$39,586 and \$33,645, respectively. As of June 30, 2021 and 2020, prepaid annual contributions to the OPEB plan were \$280,000 and \$-0-, respectively. The prepaid annual contribution of \$280,000 consists of \$140,000 for 2022 and \$140,000 for 2023.

NOTES TO THE FINANCIAL STATEMENTS

Inventory The WELL opened in fall 2010 with all inventory reported at the lower of cost or net realizable value. The first-in, first-out method is used in determining cost. Net realizable value is the estimated selling price in the ordinary course of business, less reasonably predictable costs of disposal. Inventory consists of items such as chalk socks, clothing, and ear buds.

Due From Related Parties Due from related parties represents amounts owed to Union WELL Inc. by Sacramento State, University Enterprises, Inc. (UEI), and the Associated Students of California State University, Sacramento (ASI) for services and space provided by Union WELL Inc.'s program activities.

Capital Assets Capital assets are stated at cost. It is the policy of Union WELL Inc. to capitalize all expenditures for property and equipment costing \$5,000 or more. Depreciation is recorded on the straight-line method over the estimated useful lives of the assets, typically between 3 and 20 years.

Due to Related Parties Due to related parties represents outstanding billings for administrative, accounting, and catering services provided to Union WELL Inc. by Sacramento State, UEI, and ASI.

Unearned Revenues Unearned revenues represent the amount of Union WELL Inc. programs and lease contracts that have been received in advance of providing the related services. Revenue is recognized on the date of the service. Unearned revenues also consist of student activity fees collected by Sacramento State from students during student registration for the fall 2021 semester.

Revenues from Contracts with Customers A five-step model is used to determine the amount and timing of revenue recognized. The five-step model requires Union WELL Inc. to apply the following steps: (1) identify the contract with the customer; (2) identify the performance obligations in the contract; (3) determine the transaction price; (4) allocate the transaction price to the performance obligations in the contract; and (5) recognize revenue when, or as, Union WELL Inc. satisfies the performance obligations.

Union WELL Inc.'s revenues are generated from its operations and are recognized as described below:

Student Activity Fees: Student activity fees are remitted directly to the Office of the Chancellor of California State University to cover principal and interest payments on its debt obligations, fire insurance on the University Union and The WELL buildings, legislative costs, Office of the Chancellor overhead, and to provide a reserve for building improvements and replacement. Subject to certain limitations, student activity fees in excess of such requirements, or surplus revenue, are used to fund Union WELL Inc. operations. For the fiscal year ended June 30, 2021 and 2020, student activity fees include a return of surplus revenue and recreational sports activity fees. Revenue is recognized as it is returned to Union WELL Inc. for use in operations.

Program Service Fees: Program service fees include, but are not limited to, facility use fees for The University Union and The WELL, Union Games Room revenue, UNIQUE Programs event admission revenue, co-sponsorship revenue for special events such as special guest lecturers, The WELL supplemental membership fees, The WELL recreation program fees (i.e. pool, intramurals, personal training, small group fitness training, climbing wall revenue), 5K Fun Run revenue, and printing services revenue at The Lab. Revenue is recognized throughout the period in which the facilities and services are provided and as events are held.

NOTES TO THE FINANCIAL STATEMENTS

(Continued)

Functional Allocation of Expenses The costs of providing various program and supporting activities have been summarized on a functional basis in the statements of activities. The presentation of expenses by function and nature is included in the statements of functional expenses. Union WELL Inc. charges direct expenses incurred for a specific function directly to the program or supporting service category. These costs can be specifically identified as being incurred for the activities of that program or supporting service. Other costs that are incurred by Union WELL Inc. benefit more than one program or supporting service and are allocated on a reasonable basis that is consistently applied. Costs including outside services are allocated based on estimates of time and effort; other costs, including depreciation, occupancy, office costs, computers, and software are allocated based on estimates of usage or benefit received by each program. Expenses that are not directly associated with a program are allocated to administration expenses. Union WELL Inc. reevaluates its allocation method each year to determine if there are adjustments that are necessary to the allocation method based on actual activities conducted during the year.

Advertising Union WELL Inc. expenses advertising costs as incurred. Advertising expenses for the years ended June 30, 2021 and 2020, were \$13,827 and \$17,539, respectively.

Tax Status Union WELL Inc. qualifies for exemption from income taxes under provisions of Section 501(c)(3) of the *Internal Revenue Code* (IRC) and similar provisions of state income tax regulations. The ruling provides that Union WELL Inc. is not subject to excise tax under Section 4940(a) of the IRC. Income determined to be from unrelated business income would be taxable.

Union WELL Inc. analyzes whether there is uncertainty in tax positions taken or expected to be taken in a tax return, including issues relating to financial statement recognition and measurement. An uncertain tax position can be recognized in the financial statements only if the position is “more likely than not” to be sustained if the position were to be challenged by a taxing authority. Union WELL Inc.’s practice is to recognize interest and penalties, if any, related to uncertain tax positions in tax expense. Union WELL Inc. files exempt organization returns in the U.S. federal and California jurisdictions. The federal and state tax returns remain subject to examination by the taxing authorities for three years and four years, respectively. Union WELL Inc. has processes presently in place to ensure the maintenance of its tax-exempt status (its group exemption) to identify and report unrelated income; to determine its filing and tax obligations in jurisdictions for which it has nexus; and to identify and evaluate other matters that may be considered tax positions. Union WELL Inc. has determined there is no impact on the accompanying financial statements related to this standard. There were no uncertain tax positions identified or related interest and penalties recorded as of June 30, 2021 and 2020, and Union WELL Inc. does not expect this to change significantly over the next 12 months.

Use of Estimates The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Evaluation of Subsequent Events Management has evaluated subsequent events through September 8, 2021, the date the financial statements were available to be issued.

2. CASH AND CASH EQUIVALENTS

As of June 30, 2021 and 2020, cash and cash equivalents represent short-term investments in LAIF in the amounts of \$23,089,707 and \$18,623,482, respectively, and funds held at financial institutions in the amounts of \$30,149 and \$103,230, respectively. As of June 30, 2021 and 2020, the cash balances reported by financial institutions were \$322,344 and \$191,524, respectively. The amounts for the years ended June 30, 2021 and 2020, were not in excess of limits insured by the Federal Deposit Insurance Corporation.

3. LIQUIDITY AND AVAILABILITY OF ASSETS

The following represents Union WELL Inc.'s financial assets:

June 30	2021	2020
Financial Assets - End of Year		
Cash and cash equivalents	\$ 23,119,856	\$ 18,726,712
Accounts receivable	54,297	131,979
Student activity fees receivable - held by Sacramento State	118,374	116,893
Total Financial Assets - End of Year	23,292,527	18,975,584
Less: Amounts Not Available to be Used Within One Year		
Board designated net assets	4,311,352	3,999,434
Financial Assets Available to Meet General Expenditures Over the Next Twelve Months	\$ 18,981,175	\$ 14,976,150

In order to manage liquidity, Union WELL Inc. has structured its financial assets to be available as its general expenditures and liabilities become due. As part of its liquidity plan, excess cash is invested in LAIF. Union WELL Inc. is substantially supported by student activity and program services fees, which are unrestricted and are available to meet general expenditure obligations.

4. INVESTMENTS AND FAIR VALUE MEASUREMENT

Although Union WELL Inc. has funds held in LAIF, they are available for withdrawal on demand and are, therefore, recorded as cash equivalents. LAIF is sponsored by the California State Treasurer and prepares its market value report detailing the carrying cost and estimated fair value for the entire pool. Union WELL Inc. used the multiplier provided by LAIF to determine the estimated fair value of its investments in the pool. Union WELL Inc.'s investments in LAIF are measured on a recurring basis throughout the year.

The investments in LAIF are carried at amortized cost, which is deemed to not represent a material difference from fair value. The assets, composed of treasuries, certificates of deposit, bank notes, agencies, commercial paper, time deposits, and loans, are valued at quoted prices for similar assets or liabilities in active markets. This method may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while Union WELL Inc. believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date. There have been no changes in the methodologies used at June 30, 2021 and 2020.

As of June 30, 2021 and 2020, the LAIF pool included structured notes and asset-backed securities, which totaled 2.31% and 3.37%, respectively, of the total portfolio. These structured notes and asset-backed securities are subject to market risk as interest rates fluctuate. As of June 30, 2021 and 2020, the fair value of LAIF was 100.00% and 100.49%, respectively, of the carrying value. There were no LAIF funds invested in derivatives as of June 30, 2021 and 2020. LAIF has oversight by the Local Investment Advisory Board (LIAB), which consists of five members as designated by statute. The Chairman of the LIAB is the State Treasurer or his designated representative. Union WELL Inc. is considered to be a voluntary participant in the LAIF investment pool.

The following table sets forth by level, within the fair value hierarchy, Union WELL Inc.'s assets at fair value:

	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	Total

8. RELATED-PARTY TRANSACTIONS

Space located within the University Union building is used or operated by Sacramento State, ASI, The University Foundation at Sacramento State (UFSS), and UEI, which are component units of Sacramento State, under operating and sublease agreements that are renewed on an annual basis. For the fiscal years ended June 30, 2021 and 2020, Union WELL Inc. received payments for leased office space to UEI totaling \$-0- and \$414,829, respectively, and for leased office space to ASI totaling \$282,374 and \$226,764, respectively. For the fiscal years ended June 30, 2021 and 2020, Union WELL Inc. received Public Safety fees from UEI totaling \$-0- and \$4,512, respectively. For the fiscal years ended June 30, 2021 and 2020, Union WELL Inc. received Public Safety Fees from ASI totaling \$-0- and \$2,032, respectively. For the fiscal years ended June 30, 2021 and 2020, Union WELL Inc. received payments from UFSS for space and programs totaling \$-0- and \$4,627, respectively. Other than those disclosed elsewhere in these financial statements, transactions between Union WELL Inc. and related organizations included the payments by Union WELL Inc. to Sacramento State of \$883,460 and \$1,100,627 for the fiscal years ended June 30, 2021 and 2020, respectively, for campus cost recovery services, which include administration, telephone, postage, IT support, and utilities. Sacramento State made payments to Union WELL Inc. totaling \$761,738 and \$986,148 for services, space, and programs for the fiscal years ended June 30, 2021 and 2020, respectively.

Union WELL Inc. incurred expenses primarily related to catering services, video production, and advertising by UEI in the amounts of \$-0- and \$4,904 for the fiscal years ended June 30, 2021 and 2020, respectively.

For fiscal years ended June 30, 2021 and 2020, Union WELL Inc. was charged \$133,638 and \$131,388, respectively, for accounting and financial services provided by ASI.

9. OTHER POST-EMPLOYMENT BENEFITS (OPEB)

The employees assigned to Union WELL Inc. under the provisions of the MOU with UEI are also eligible to participate in the UEI's OPEB plan (the Plan). The Plan is a single-employer defined benefit healthcare plan administered by UEI. The Plan provides lifetime post-retirement medical and dental coverage to its eligible employees who retire at age 55 (Policy 116) or age 65 (Policy 117) or older, and who complete the required years of continuous CalPERS covered service. The Plan also extends coverage to spouses/registered domestic partners and surviving spouses/registered domestic partners of qualified retirees. On May 17, 2011, UEI's Board of Directors approved the inclusion of UEI into the Voluntary Employee Beneficiary Association (VEBA) Plan. The VEBA Plan is a separate 501(c)(9) organization established in August 2010 to assist in funding OPEB costs, and ensures funds will be available to pay future obligations. Union WELL Inc. paid contributions to UEI of \$140,000 and \$180,344 for the years ended June 30, 2021 and 2020, respectively. In addition, Union WELL Inc. prepaid contributions of \$140,000 for the fiscal years 2022 and 2023. All of these contributions, totaling \$420,000, were deposited into the UEI VEBA account on behalf of Union WELL Inc.

NOTES TO THE FINANCIAL STATEMENTS

(Continued)

Union WELL Inc.'s unfunded liability was \$940,810 and \$1,652,304 for the fiscal years ended June 30, 2021 and 2020, respectively. The June 30, 2021 and 2020, unfunded liability was based on an actuarial study with a measurement date of June 30, 2020 and 2018, respectively. This liability is included in the total OPEB unfunded liability recorded on UEI's financial statements. The amount of the annual contributions for fiscal years ending June 2021 through June 2023 was scheduled to be \$140,000 annually, however these payments were made in full during the 2021 fiscal year. The payment schedule was based on the goal of fully funding the post-employment liability for all of the retirees, active vested employees, and active employees who will become fully vested within three years of the actuarial study, including eligible dependents (the Vested Participants). When the total post-employment liability for all Vested Participants is 100% funded, additional contributions would only be necessary to maintain the 100% funded level for the Vested Participants. Since Union WELL Inc. has prepaid the Plan through June 30, 2022, additional contributions will not be paid or contemplated until the next actuarial study is complete. An actuarial study will be completed for the fiscal year ending June 30, 2024, with a measurement date of June 30, 2023. If additional contributions are necessary after the June 30, 2024, actuarial study, payment terms will be negotiated with UEI at that time. For full disclosures of OPEB and VEBA plans, see UEI's financial statements.

10. CONTINGENCIES

The ongoing COVID-19 pandemic has caused an economic downturn on a global scale, disrupted global supply chains, and created significant uncertainty, volatility, and disruption across economies and financial markets.

The COVID-19 pandemic remains an evolving situation. The extent of the impact of COVID-19 on Union WELL Inc.'s business and financial results will depend on future developments, including the duration and spread of the outbreak within the markets in which Union WELL Inc. operates and the related impact on consumer confidence and spending, all of which are highly uncertain.

11. RECENT ACCOUNTING PRONOUNCEMENTS

In February 2016, Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) 2016-02, *Leases*. This ASU will require organizations that lease assets to recognize on the statement of financial position the asset and liability for the right and obligations created by leases with a term of more than 12 months. Additional disclosures will also be required in order to provide the users of the financial statements with a better understanding of the amount, timing, and uncertainty of cash flows arising from leases. This ASU intends to improve financial reporting about leasing transactions. In July 2018, FASB issued ASU 2018-11, *Leases: Targeted Improvements*, which amended ASU 2016-02 to provide an entity with a transition method for implementing the ASU. Under this transition method, an entity initially applies ASU 2016-02 at the adoption date, and recognizes a cumulative-effect adjustment to the opening balance of net assets in the period of adoption. These ASUs are effective for the periods beginning after December 15, 2021. Union WELL Inc.'s management has not yet determined the impact that implementation of these ASUs will have on the Union WELL Inc.'s financial statements.

NOTES TO THE SUPPLEMENTARY INFORMATION

1. BASIS OF PRESENTATION

The schedules are prepared in accordance with the instructions listed in an Administrative Directive dated June 24, 2003, entitled *Financial Reporting Requirements for Auxiliary Organizations*, from the California State University Office of the Chancellor. As a result, the schedules do not purport to represent financial statements prepared fully in accordance with accounting standards generally accepted in the United States of America applicable to governmental not-for-profit organizations.

2. BOARD DESIGNATED NET ASSETS

Repairs and Replacement Union WELL Inc. annually designates net assets of \$100,000, plus 5% of the total replacement value of equipment and furniture and fixtures for their repair and replacement. Total replacement value is determined using the latest available consumer price index and was estimated to be approximately \$3,687,577 at June 30, 2021. The cumulative amount of these net asset designations is limited to no more than 50% of the total replacement value of such equipment and furniture and fixtures, plus \$100,000. This amount, plus interest earned, plus insurance proceeds, less actual replacements, represents the designation, which was \$2,765,933 as of June 30, 2021.

Art Acquisition Union WELL Inc. annually designates net assets of \$5,000 for art acquisition, less actual purchases. As of June 30, 2021, the designation totaled \$34,889.

Property and Equipment Union WELL Inc. designates net assets based on the net book value of its property and equipment. At June 30, 2021, the designation for depreciable property and equipment was \$1,510,530. An additional \$120,614 of construction work in progress was included in undesignated operations, and is expected to be transferred to designated property and equipment during the year ending June 30, 2022.

OTHER REPORT SECTION

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Board of Directors
University Union Operation of
California State University, Sacramento
Sacramento, California

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the financial statements of University Union Operation of California State University, Sacramento (Union WELL Inc.), which comprise the statement of financial position as of June 30, 2021; the related statements of activities, functional expenses, and cash flows for the year then ended; and the related notes to the financial statements, and have issued our report thereon dated September 8, 2021.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statement, we considered Union WELL Inc.'s internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Union WELL Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of Union WELL Inc.'s internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of Union WELL Inc.'s financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit, we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

**INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL
REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF A
FINANCIAL STATEMENT PERFORMED IN ACCORDANCE WITH
GOVERNMENT AUDITING STANDARDS**

(Continued)

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Union WELL Inc.'s financial statement is free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statement. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of This Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Union WELL Inc.'s internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Union WELL Inc.'s internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
