Questions/Comments:

Sorensen requests feedback on student and staff concerns regarding the delay of the opening of the expansion. Wong states that the main concern for staff, especially staff that are going to move into the expansion, is the lack of a concrete timeline. Moran states that the main concern of students is not being able to see the expansion before graduation. Woldeyohannes adds that students would also like definitive details regarding the opening as well as clarity on the reasons for the delay.

6. Adjournment: 8:45am
